About me

I am an outdoorsy Michigander, but my favorite hobby is reading. I have always loved to volunteer, through Church activities or school I have been known to attend most events.

I have had many leadership rolls, from being the President of two High School clubs to being a Manager in College.

I am experienced in multiple hand rendered artforms as well as digital.

Education

Saginaw Valley State University

Bachelors in Graphic Design

Completion May 2022

Minor in User Experience Design

Completion December 2022

Work Experience

Self employed

Southeast Michigan 2016-Present

Landscaping, labor for construction, tutoring, and childcare.

Variety of yard care services, prepping houses for drywalling.

Honed communication and time management skills by working with a variety of clients from different backgrounds and ages as well as balancing time between one employer and another.

CAE Inc.

Hamburg, MI Summer 2016, 2021

Lite electronics assembler, prepped circuit boards for assembly, performed hand soldering, and packaged final product for stock.

Matured in dexterity of self motivation and independent working when left to complete an assignment
